Welcome to Quest CE's NAIC Annuity Training Portal
 Quest CE simplifies the NAIC's Annuity Training requirements for producers, insurance carriers and broker-dealers with our premier NAIC annuity suitability training solution, featuring the industry's first real-time reciprocity engine. The Power of Reciprocity
 Quest CE's proprietary reciprocity functionality is standard in all NAIC solutions, providing users with the ability to complete one course for state credit and receive credits for the additional states that share reciprocity. The reciprocity functionality allows producers and insurance license holders to fulfill multi-requirements in a single training session. Quest CE proudly became the first vendor to provide this real-time service to the industry on March 21, 2011.
